Patient Slippers

Made from high-quality polyester/spandex fabric, our slipper-resistant slippers provide patients with comfort and durability while ensuring their safety.

Available in single-sided, double-sided, or all around tread.

All Around Tread Slippers
The unique 360-degree tread pattern guarantees a proper, secure fit and constant traction to the floor.

Mesh Top Slippers
For patients who suffer from Edema or any swelling of the leg. The mesh top provides a secure fit to the calf without being constructive and the wide sole creates a comfortable feel for the foot.

**Mesh Top slippers are available with all-around tread only.*
