

Ultrasound Gel

Our Ultrasound gel formulation eliminates the air between the transducer and the skin, offering outstanding coupling efficiency for more effective treatment and diagnosis.

- Medium viscosity gel
- Salt-free
- Non-greasy and water-soluble
- Non-irritating

Elevate Care with Confidence and Quality

At Concordance Healthcare Solutions, our goal is to bring high-quality medical products and creative solutions to the supply chain.

We understand that our customers are facing many challenges every day, including the rising costs associated with purchasing and securing medical supplies to deliver the very best care. As a solutions provider, we have created the HCS brand utilizing the specialized skills and expertise of our Sourcing Solutions team. We are committed to leveraging our sourcing and supplier relations expertise to collaborate with healthcare facilities to identify and provide customer-specific product-sourcing opportunities. We listen to our customers and utilize the best sourcing practices possible to tailor the optimal solution—

all centered to ensure you receive the utmost quality of HCS-branded medical supplies at the most cost-effective prices.

Customer-Centric Approach

Concordance is a truly customer-centered organization. We listen to our customers, collaborate with your staff to acquire unique products that fit your needs. Anywhere from niche products to customized commodities (e.g., items personalized with your company logo and information), Concordance is willing to work with you to find the perfect product fit.

We excel at partnering with our customers to create innovative solutions, which in turn helps to increase patient satisfaction—**because we understand that patient satisfaction is the number one goal.**

Give your employees the time and tools they need to provide your patients with the care they deserve.
