

Kate Farms® is pleased to announce national availability of two specialized nutrition products.

Kate Farms Glucose Support 1.2 Closed System and Kate Farms Renal Support 1.8 Closed System will be available July 2024.

Kate Farms closed feeding systems provide quality nutrition designed for safety and convenience:

- Convenient, sterile, ready-to-hang 1 L bag
- Easy access front-of-bag port and instructions
- Universal connector fit with EnFit® compatibility
- Aerodynamic design and overfill to ensure full delivery of formula

Please note that these products will be available in clear bags with an applied label sticker. See images below.
