Subject: Abbott Inventory Update: Nutrition Products

Abbott continuously reviews our inventory to provide customers with the most up-to-date and accurate product availability information. The table below lists products that are currently low in inventory or out-of-stock. We apologize for the current inventory position and are doing everything we can to address the situation.

The table below provides suggested alternatives to meet the nutritional needs of your patients. Healthcare professionals should determine the best alternative product and transition plan for patients.

| Low Inventory                      |        |                    |                                    |        |
|------------------------------------|--------|--------------------|------------------------------------|--------|
| Product                            |        |                    | Suggest Alternative                |        |
| Adult Institutional Item           | Item # | Est. Recovery Date | Adult Institutional Item           | Item # |
| Ensure Original Strawberry 8oz ARC | 64933  | June               | Ensure Original Vanilla 8oz ARC    | 64931  |
| Ensure Plus Chocolate 8oz ARC      | 64911  | June               | Ensure Plus Chocolate 8oz RPB      | 58299  |
| Glucerna 1.2 Cal 1.5L RTH          | 62675  | July               | Glucerna 1.5 Cal 1L RTH            | 62679  |
| Glucerna 1.2Cal 1L RTH             | 62677  | June               | Glucerna 1.5 Cal 1L RTH            | 62679  |
