

October 23, 2024

Dear Customer,

We are aware of the impact from recent severe weather events, which may limit or reduce availability of key hospital products. To help meet the needs of hospitals and patients across the country, we are working to expand the supply and distribution of the following Abbott oral hydration products that are suitable for kids and adults. At this time, Abbott plans to make these products and pricing available through January 31, 2025.
