Subject: Product Discontinuation Letter

Dear Valued Customer,

After careful consideration, Abbott decided to discontinue the products below effective May 2024 to help streamline the Abbott portfolio. Discontinuation timelines are based on inventory availability for each product. Some items have an immediate out of stock date as these items were deprioritized and unavailable in the market since 2023. Estimated out of stock dates for the remaining items vary and are based on current customer demand. Once inventories are exhausted, no additional quantities will be available.

Notes: The provided table suggests an Abbott alternative product to the discontinued item. Please consult with a healthcare professional to determine the best alternative product. NDC-format codes are product codes adjusted according to standard industry practice to meet the format requirements of pharmacy and health insurance computer systems. Abbott Nutrition does not represent these products to be drugs, nor their codes to be NDC codes.

Please reference our weekly inventory letter for the most up to date product availability or suitable alternatives if the suggested replacement SKU is not available. If ordering through a distributor, work directly with your distributor representative on product availability. For general questions or to order direct, please contact your Abbott sales representative or Customer Service at 1-800-551-5838.

Thank you for your partnership in nutrition,
