

Subject: Introducing GMC Health Supply, Inc.
To: All US Business Partners
Date: March 20th, 2026

Background:

For the last several years, we have operated as a global medical sourcing and supply chain partner, leveraging our extensive healthcare knowledge and manufacturing experience. By delivering competitive pricing and a direct-sourcing model, GSO Healthcare, Inc., has delivered solid year over year growth.

New Chapter:

Effective March 20th, 2026, we are pleased to share our new name, reflecting our deepened focus on medical consumables and our continued commitment to excellence in the U.S. healthcare market, **GMC Health Supply, Inc.** Moving forward, effective immediately, all correspondence, purchase orders, invoices, and US healthcare industry collaboration shall shift to this new name, including new email.

What's Changed and What hasn't:

Our products, product part numbers and brand remain unchanged and there will be no impact on end customers;

The only change is the distributor name, highlighted with a red triangle as shown below.

Key Contacts:

Several team members are designated for ongoing collaboration with new GMC designated email address for your use:
