OUR MISSION

We champion health, dignity and comfort, every day, through what we make and how we work.

OUR VISION

Be the best at combining global scale and local intimacy to make absorbent hygiene effective, affordable and widely available.

OUR VALUES

Caring, Agile, Innovative, Unique, Personal and Genuine

MAKING IT PERSONAL

Personal Care is not just how we describe our business. It's our mission. It's personal.

It's a child, a loved one, it's often about those that can't help themselves. Caring for them can only be personal.

So Personal Care isn't our category; it's our calling, our purpose.

We imagine solutions that make caring for babies' skin and preserving dignity and independence easier and more affordable.

We believe everyone deserves personal care.
