IMPROVE YOUR OUTCOMES WITH INNOVATIVE ATTENDS® STRETCH BRIEFS

The Stretch Solution reduces product SKUs by offering multi-size briefs with premium softness and comfort, a cloth-like material, ultimate absorbency, and easy application. This approach helps control costs, maintain consistent par levels, and enhance the quality of care.

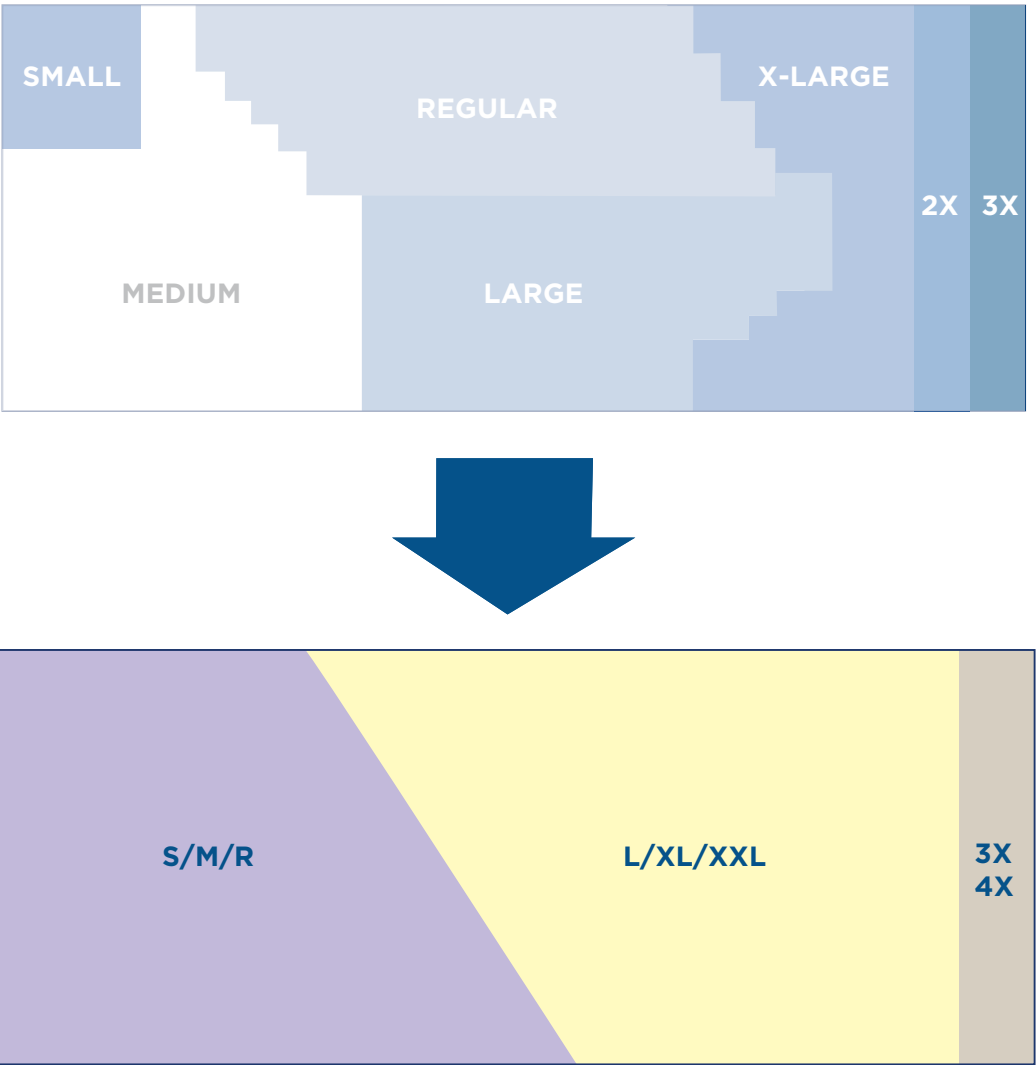

Key Points about Attends® Stretch Briefs:

- SecureGrip™ fastening provides a reliable and snug fit with an expanded fastening area, improving grip and easy application of the brief.
- Breathable Side Panels
- Stretchable
- ConfidenceCuff™ Protection helps prevent leaks around the legs
- Dry-Lock® Core helps those in your care stay dry throughout the day or night
- Easy-to-read, time-saving wetness indicator
- Odor Control

Attends® Stretch Briefs deliver Care, Comfort, and Confidence with innovations in Dryness, Absorption and Skin Wellness. Our brands feature advanced absorbent core technologies to lock in wetness for ultimate dryness and comfort.
