Attends® Shaped Pads Packaging and Claims Refresh

Our latest design features an **upgraded absorbency channel**, allowing us to make exciting new claims:

- up to **3X faster absorption speed** than our previous design
- **Faster absorbency** than our previous design to **support skin health**

We are transitioning to a new design that aligns with the current Attends branding. This transition will take place **from the end of the year to the beginning of 2026**.
