Truckload Standing Delivery Appointments (SDAs)

- BD SDAs are generally not maintained during holiday weeks. Transit time and pick/pack process to determine whether BD customer's SDA will be used or not.
- Carrier will call for appointment for shipments associated with incremental Holiday volume.
- Please provide delivery appointments as close to the normal delivery schedule as possible to avoid extended order cycle times.
- Diagnostic Systems: A separate order and delivery schedule will be published for affected locations.

Rush Orders under 150 lbs.

- Rush Orders received after *1:30 PM local time will be processed the following business day.

Saturday Deliveries

- Requests for Saturday delivery must include a designated contact name and telephone number.
- Please plan accordingly as no carrier deliveries will be made on the actual Holiday Day.
- In addition, orders placed during holiday periods may experience a slight delay in delivery.
- Ground or Second Day service are not guaranteed.

***Cutoff for rush orders from Four Oaks, NC is 12:30 PM local time**
