RE: Supply update for BD Secondary Infusion Set; BD#MS3500-15

Dear Valued Partner:

On July 10, 2024, BD had notified customers that the BD Secondary Infusion Set; BD#MS3500-15 would be discontinued and provided BD Secondary Infusion Set; BD#10016073 as an alternative. Customers were also notified that production of the discontinued set may continue until December 31, 2024, with remaining product available until inventory is depleted.

We are writing to update you that the inventory of the BD Secondary Infusion Set; BD#MS3500-15 has now been exhausted. As a result, all open orders for this product will be canceled effective immediately. Please advise your end users to transition and forecast their needs for the alternate product, BD Secondary Infusion Set; BD#10016073.
