Update: Hemostatic Agent Alternatives

05/13/2025

Dear Valued Customer,

We understand that supply disruptions in the market may be impacting your ability to obtain certain hemostatic agents. We would like to ensure you are aware of the availability of Avitene™ Ultrafoam™ and Avitene™ Flour. See the chart below for products and codes as they correlate in size and form factor to Pfizer's Gelfoam & Integra's Helistat/Helitene products.
