Re: Product Announcement

Dear Valued Customer:

BD Life Sciences – Preanalytical Systems is committed to providing the highest level of service to ensure supply reliability to our customers.

Due to limited customer demand, BD will streamline its offering of BD Vacutainer® UltraTouch™ Push Button Blood Collection Sets. Effective September 30, 2017, BD will discontinue the sale of the following three catalog numbers:

Discontinued		Suggested Alternative	
Catalog #	Description	Catalog #	Description
367393	21g x .75" needle with 7" tubing and luer adapter	367365	21g x .75" needle with 12" tubing and luer adapter
367392	23g x .75" needle with 7" tubing and luer adapter	367364	23g x .75" needle with 12" tubing and luer adapter
367391	25g x .75" needle with 7" tubing and luer adapter	367363	25g x .75" needle with 12" tubing and luer adapter

We realize the impact that a product discontinuation will have on your institution and are committed to supporting you through this transition. To assist you in a smooth transition, please feel free to contact your local BD Sales Consultant. If you require technical assistance, please contact BD's Technical Services Team at 1.800.631.0174. If you prefer to e-mail us, please submit your inquiry to pas_tech_services@bd.com.

We would like to take this opportunity to express our appreciation for your continued patronage and support.

Sincerely,

Jill Buck, US Marketing
BD Life Sciences – Preanalytical Systems
