Hello Tricia,

We are excited to announce that **effective Tuesday, May 27, allocations will be removed on 250ml Irrigation Pour Bottle Codes.**

As previously stated on May 5, we have been able to remove allocations on 500ml and 1000ml Irrigation Pour Bottles, and now 250ml Irrigation Pour Bottles, as we have been able to realize significant investments made at our manufacturing site to increase supply health on these products.
