Subject: Baxter Product Discontinuation Notice of Select IV & Irrigation Solutions

Dear Valued Customer,

Baxter will be discontinuing several products to better allow us to focus on production of products critical to meeting patient needs while ensuring consistent product availability. Product codes listed in Table 1 will no longer be manufactured and discontinued upon depletion of current inventory.

We have limited inventory available for sale until these product codes are completely depleted. Please contact your local Baxter sales representative or the Center for Service at 1-888-229-0001 for assistance.

For clinical questions, please submit your inquiry to Medical Information [HERE](#) or call 1-800-933-0303.

We apologize for any inconvenience this may cause your facility. Thank you for being a valued Baxter customer.

Best regards,

Caroline Gullion

Director, US Marketing, IV Fluids & Pharmacy Solutions
