Subject: Baxter Product Discontinuation Notice

Dear Valued Customer,

Effective December 31, 2025, Baxter will be discontinuing the products listed in Table 1. These product codes will no longer be manufactured after this effective date. We apologize for any inconvenience this may cause your facility.

Table 1: Product Codes being discontinued on December 31, 2025, Descriptions and NDC

Product Code	Description	NDC
1A8504	GLASS EVACUATED CONTAINER, 1000 ML	NA
2B1024X	2.5% Dextrose and 0.45% Sodium Chloride Injection, USP, 1000 mL VIAFLEX Plastic Container	0338-0073-04

For a list of clinical alternatives for your consideration, please go to [Clinical Resources for U.S. Healthcare Professionals](#) and refer to the letter listed under *Discontinuation of Select IV & Irrigation Solutions*.

For clinical questions, please submit your inquiry to Medical Information [HERE](#).

For ordering assistance, please contact your local Baxter sales representative or the Center for Service at 1-888-229-0001.

Thank you for being a valued Baxter customer.

Best regards,

Caroline Gullion
Director, US Marketing, IV Fluids & Pharmacy Solutions
Baxter Healthcare Corporation
