

Rechargeable Light Source

for ClearLook® Lighted Ear Curettes™

NEW

**Precision, Efficiency and
Sustainability for Safer Ear Care**

✓ The Rechargeable Light Source for ClearLook Lighted Ear Curette offers:

- **Trusted Quality:** Innovative tools from Bionix – the leader in ear, nasal and throat care products.
- **Rechargeable Convenience:** Includes a USB-C charging cord; an optional charging base can be purchased.
- **Cost-Effective:** Affordable solution with long-term curette refill savings and improved procedure efficiency.
- **Eco-Friendly:** Rechargeable design reduces waste and costs.
- **No Blind Curettage:** Light and magnification provide a clear view of the ear canal.
- **Streamlined Workflow:** No need to switch between otoscope and curette.
- **Precision and Safety:** Enhanced visibility reduces risk of injury and unseen complications
- **Patient Comfort:** Faster, more precise and less intrusive procedures.
- **Seamless Integration:** Compatible with preferred curette tips, intuitive to use.

Premium Performance in Your Hands

The Bionix® Rechargeable Light Source for ClearLook® Lighted Ear Curette™ enhances cerumen removal with improved visibility, precision and eco-friendly technology. Its rechargeable design reduces waste, while compatibility with familiar and preferred curette tip styles ensures a seamless, cost-effective upgrade for clinicians.
