June 14, 2024

Dear Valued Customer:

This letter is regarding our Cardinal Health Kendall™ Medical and Surgical tapes. To stabilize supply and mitigate backorders, we have qualified a new supplier. While there are some changes to the look and feel of the product, the material meets or exceeds our product specifications.

Please note the new product does not contain natural rubber latex, has a 24-month shelf life and the country of origin is China. Product numbers and units of measure are not changing, but artwork and GTINs (Global Trade Item Number) will be updated. These changes are detailed in Tables 1-2 on page 2. Product will start to arrive in your facilities over the next several weeks.

Thank you for your continued business and the opportunity to help you support the needs of your caregivers and the patients they serve. If you have any questions, or feedback, please contact your sales representative or Cardinal Health™ Customer Service at (800)-635-6021.

Thank you,

Wound Care Marketing
Cardinal Health
