

Upgrading from Freedom® Clear to Conveen® Optima

Try out Conveen Optima – a high-performance solution for managing incontinence

We understand that Freedom Clear male external catheters have been a trusted part of helping your patients manage their bladder routine. Unfortunately, this product is being discontinued and will no longer be available. Instead, we are happy to offer an improved alternative, **Conveen Optima**, which offers upgraded features and benefits while still providing the security your patients rely on.

Discover Conveen Optima – Our most advanced and best-selling male external catheter

Comfortable wear

Conveen Optima is made of silicone that is stretchy, ensuring a perfect fit and comfort* throughout the day.

Anti-leak system

- Push ring: Helps to securely connect a urine bag.
- Ribbed grip: Provides a firm grip to prevent fingers from slipping.
- Anti-kink design: Prevents twisting or kinks in the sheath, ensuring continuous flow.

Easy application & discreet packaging

The pull-ring ensures easy, smooth roll-out for secure application.** Conveen Optima's packaging is discreet, recyclable, and easy to open and transport when on the go.

Skin-friendly & environmental impact

Conveen Optima's balanced adhesive is skin-friendly and reduces the risk of leakage, while still being easy to remove without discomfort.

PVC free and not made with phthalates, or natural rubber latex.

Conveen Optima comes in six sizes and two lengths:

Standard length

Diameter	Product Code
25 mm	22025
28 mm	22028
30 mm	22030
35 mm	22035
