Dear Valued Customer,

At Coloplast, we are continually upgrading our product offerings to make users' lives easier. As part of this commitment, the Freedom® Clear male external catheter portfolio is being discontinued to make way for an improved option. Conveen® Optima offers upgraded features and benefits while still providing the security your patients rely on.

As such, we wanted to bring awareness to the dates the Freedom Clear portfolio will be discontinued.

Product code	Type / length	Size (mm)	Qty / box	Discontinuation Date
