RELI® SAFETY BLOOD COLLECTION NEEDLES

With and Without Pre-attached Tube Holder

RELI® Blood Collection Needles from MYCO Medical are manufactured to strict quality standards and contain features to help improve clinical performance, safety, and ease of use. The needles are OSHA compliant and are available with and without a pre-attached tube holder.

- Luer lock multi-sample needle for added security
- Siliconized short bevel needle for smooth insertion
- One-handed safety shield activation for immediate covering of needle point
- Color-coded for easy gauge identification
- Computerized grinding and 100% visual camera inspection ensures sharp, consistent, quality needles
- Non-PVC, DEHP-free, not made with Natural Rubber Latex
