

DATE: AUGUST 2025
FROM: HEALTHCARE MARKETING
SUBJECT: ECOLAB HEALTHCARE PRODUCT DISCONTINUATIONS

Ecolab is discontinuing 4 SKUs **effective November 1st, 2025** within the Hand Hygiene and Instrument Reprocessing portfolios.

With regards to the Hand Hygiene portfolio, Ecolab is discontinuing 6021162 Total Body Shampoo 4oz. Customers currently using 6021162 may transition to our NEXA Dispensing Platform with 6000064 – Total Body Shampoo (6-750ml). With this transition you can use your existing NEXA dispensing platform or request new NEXA equipment from your local Ecolab Representative.

Additionally, Ecolab will be discontinuing 3 Instrument Reprocessing SKUs: 6000289 OptiPro™ Non-Enzymatic Manual Detergent Concentrate 2.5 gal, 6000287 OptiPro™ Multi-Enzymatic Automated Detergent Ultra Concentrate 2.5 gal, and 6000285™ OptiPro Neutralizer Plus 2.5 gal.

Please see table below for full list of discontinued SKUs and timing:

SKU	Package Size	Product Description	Discontinuation Date
