

IMPORTANT TENA® PRODUCT UPDATE

Dear Valued Distributor,

TENA® is committed to providing better continence care for everyone. With 60 years of expertise and innovation in delivering superior products that offer optimum fit and functionality, we partner with you to tailor solutions that best meet your needs to help improve quality of care.

NEW TENA Stretch™ Plus Briefs feature our innovative Patented DuoLock® Core Technology which helps deliver more absorption capacity where it's needed most for optimal product performance. The unique combination of breathable stretch sides with full-length hook fasteners provides a secure, individualized "stay in place" fit. This easily customizable fit provides improved comfort, security and effective leakage control. Ideal for restorative care, briefs can be changed using the fastening system or pulled up and down like protective underwear.
