Changing
Batteries**

Modern
Finishes

LESS MAINTENANCE

PROMOTE HEALTH AND SAFETY
with PURELL ES10 dispensers. Quick and
efficient solution in high-use healthcare spaces.

Never Change or Buy Batteries**

thanks to patented
Energy-on-the-Refill
technology. AA battery
included on every refill
eliminates battery expense
and inventory.

Check Multiple Dispensers

at once with just a glance.
Transparent refills take
less time and labor than
cabinets or tiny sight
windows.

MORE SMART SOLUTIONS

CUSTOMIZE YOUR PLAN,
save time, and improve outcomes¹ with
PURELL SMARTLINK® Hand Hygiene System.

Flexible Data Collection

Choose one or more for any area.

Badge-based monitoring

Track individual behaviors

Unit-based monitoring

All activity within a certain
location. No badges.

Direct observation software

Efficiently support manual
tracking efforts.

Labor Efficiencies

Save EVS time. Ensure product is ready.

PURELL SMARTLINK® Service Alerts

Sensors send notifications
for low refills and
maintenance needs.

PURELL DISPENSER ADVISOR™

App learns usage patterns
through manual inputs.
Free with ES10.

Ongoing Clinical Guidance

Leverage the extensive hand
hygiene and data analysis expertise
of experienced clinical consultants
anytime - not just at set-up.

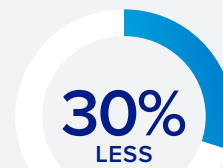

LESS WASTE

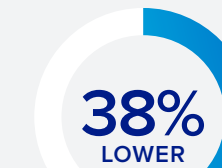

REDUCE PRODUCT WASTE,
batteries, and plastic to help protect the
earth and your bottom line.

Easy to Recycle

the refill bottle and plastic components.
Collar and alkaline AA battery easy to pull
apart. Check battery recycling guidelines in
your area.

PLASTIC
per refill¹

GREENHOUSE
GAS EMISSIONS

Cradle to Cradle Certified™

formulas validate that we
choose safe ingredients.

This certification is the global
standard for materials, products,
and systems that positively impact
people and the planet.

MORE WAYS TO IMPRESS

PREMIUM EXPERIENCE
combined with the assurance and trust of
America's #1 hand sanitizer brand.²

Looks Great in Your Facility

select from modern finishes.
