PRODUCT DISCONTINUATION PORTFOLIO CONSOLIDATION

Dear Valued Customer,

At Greiner Bio-One, we're dedicated to delivering the exceptional quality you rely on while continuously refining our processes and adopting advanced technologies to better serve your needs. As part of these efforts, we will be discontinuing item 454331 by the end of June 2026.

Please refer to the table below for a suggested alternative, which features the same 13x75 mm tube dimensions and 3.2% sodium citrate additive with a lower draw volume.

Final product availability will depend on current inventory levels, distribution, and ordering patterns. We encourage you to begin planning any necessary conversion by contacting your Greiner Bio-One Account Manager.

To Be Discontinued		Suggested Alternative	
Item No.	Description	Item No.	Description
454331	VACUETTE® 9NC Coagulation Sodium Citrate, 3.5 ml, 13x75, Blue Cap-Black Ring, High Altitude	454351	VACUETTE® 9NC Coagulation Sodium Citrate, 3.0 ml, 13x75 Blue Cap-Black Ring, High Altitude

As always, the Greiner Bio-One Technical Services team is available to support you in the use of all our products at (800) 515-8112 or patech@gbo.com. You may also contact Customer Service at (888) 286-3883 or your local Greiner Bio-One Account Manager for assistance during this product transition.

Best regards from Greiner Bio-One,

Shama Fronczak, BS, MLS (ASCP)^{CM}
Product Manager - Preanalytics
