

Safe Accurate Accessible ADA Compliant Scales

Health o meter® Professional Scales ADA-compliant scales are thoughtfully engineered to support facilities in meeting accessibility standards. These scales comply with the latest Medical Diagnostic Equipment (MDE) standards for accessible diagnostic equipment and are the only ADA Compliant scales in the market that are independently certified by a third party for ADA compliance.

Wheelchair Scale MDE Requirements:

- ① 32" wide by 40" deep platform
- ② 2" edge protection on platform
- ③ 2" edge protection on ramps
- ④ 1:8 running ramp slope
