

Lined Sleeve Gloves

50 Series

70 Series

80 Series

Dear Valued Customer,

Healthmark has a limited number of sizes in inventory for the “70 Series” (XS, LG, XL); upon depletion, all 70 series gloves will be discontinued. Healthmark is offering two replacements the “50 Series - Unlined Sleeve Gloves” (11 Mil Glove & 6 Mil Sleeve) and the “80 Series - Lined Sleeve Gloves” (15 Mil Glove & 6 Mil Sleeve).

Healthmark will offer a sample bundle of 50 Series and 80 Series gloves to those interested. Please reach out to our customer service department to request the sample bundle. They can be reached at 1-800-521-6224. After receiving the bundle, we ask that you notify us to update your order to either the 50 Series or 80 Series gloves. Healthmark will need to cancel any backorders that are not updated by July 31st, 2024

Healthmark apologizes for the supply chain issue and acknowledges the responsibility to properly inform our customers of updates to products, as we do consider your need to prepare for inventory and product requirements in the coming months. The functionality of the product remains the same and will continue as part of our Personal Protection Equipment (PPE) product line.
