MABIS® Talking Blood Pressure Monitor, Arm

Item#: 04-650-001

UPC: 767056180871

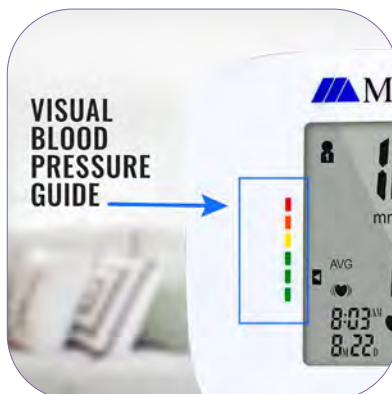

HealthSmart® Universal Replacement Cuff

Item#: 04-245-000

UPC: 767056181250

Control your health with our universal arm blood pressure monitor that reads and displays clinically accurate results within seconds

- Simple and clinically accurate talking upper arm blood pressure monitor that reads results clearly in both English and Spanish.
- A visual BP guide takes the guesswork out of interpreting your readings. The unit also shows the average of your last three readings to give you confidence in your blood pressure accuracy.
- Built-in irregular heartbeat detection will monitor your heart's beating patterns while the large LCD screen shows results clearly, even in low light settings.
- This digital blood pressure monitoring system comes equipped with a large storage drive that holds up to 396 readings for up to 4 user profiles. That breaks down to 99 readings per person!
- Includes: Monitor with universal cuff fits 8.6" to 16.53", instruction manual (English & Spanish), (4)AAA batteries, quick start guide, nylon travel bag.
- Replacement Cuff fits arm circumference: 8.6"~ 16.5". Compatible with all MABIS® and HealthSmart® digital arm blood pressure units.

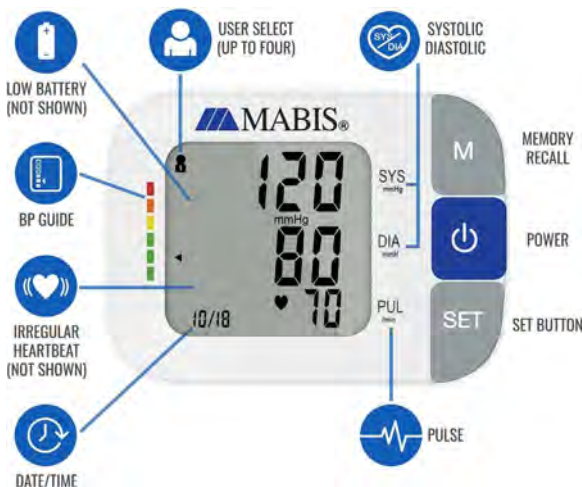

MABIS® Talking Wrist Blood Pressure Monitor

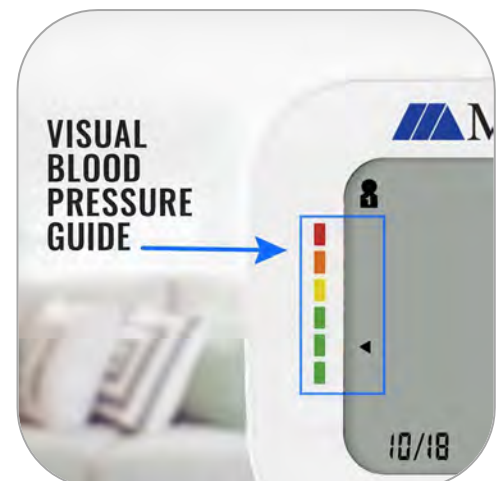

Item#: 04-815-001

UPC: 767056180888

Control your health with our universal wrist blood pressure monitor that reads and displays clinically accurate results within seconds; Ready to be used by the whole family; A massive memory storage allows for 396 readings for 4 user profiles.

- Equipped with a large screen display with easy-to-read numbers that make it simple to read your results even in dimly lit conditions; The talking voice audio is clear and concise making audio readings easy to hear the first time.
- A visual BP guide shows the health range of your results; It has a built-in irregular heartbeat detection and a pulse/heartrate monitor; The monitor also displays the date and time for simple progress tracking on when your results were logged.
- Standard universal wrist cuff fits 5.3" - 8.5" (13.5cm – 21.5cm)
- Comes with a simple quick start guide and full instruction manual in English and Spanish; (2) AAA batteries are included; Audio readings in both English and Spanish; Protective storage case

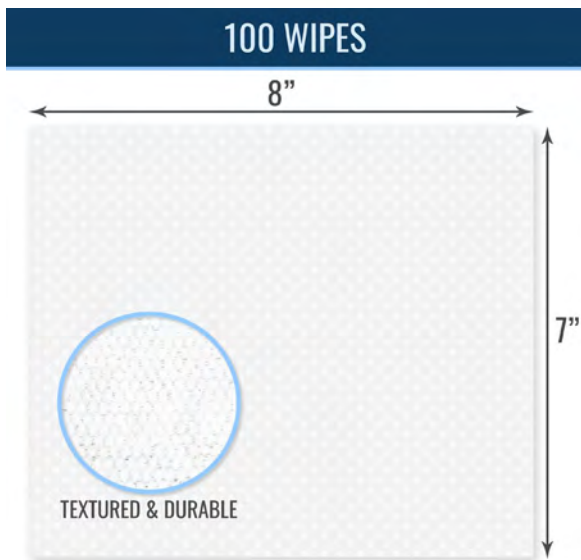

HealthSmart® Dog & Cat Grooming Wipes, 100 pack

Item#: 360-2510-0100

UPC: 767056181366

Gentle but effective for in-between baths for dogs and cats. Perfect for cleaning in-between paws, removing buildup in ears, keeping eyes fresh, and cleaning around the butt area.

- Resealable packaging with secure locking lid keeps the wipes fresh and moist for a longer shelf life. Perfect for travel and to take to dog parks, appointments, play dates and much more.
- Environmentally friendly, 100% biodegradable. No harsh chemicals, alcohol, or parabens. Cleans without any sticky residue so your pet will always feel and look fresh and clean.
- Extend the life of your wipes by storing them in a cool dry place away from heat. Dispose properly and do not flush. For external use only.
- Measure: 7" x 8", 100 wipes per pack

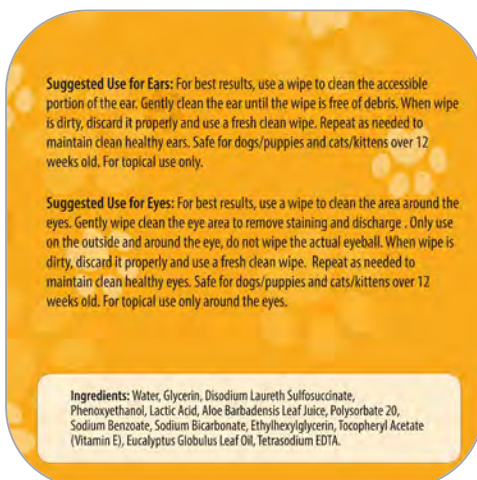

HealthSmart® Dog & Cat Ear & Eye Wipes

Item#: 360-2511-0100

UPC: 767056181373

HealthSmart Ear & Eye Wipes for Dogs & Cats keep your furry baby's eyes and ears clean and healthy. Comes in a resealable travel-size container with 100 cleansing pads. Gently formulated.

- Our pre-moistened pet wipes are perfect for daily use to control wax buildup in the ear and keep the eyes of your fur baby free of debris.
- Great for cleaning in-between paws as well!
- Our resealable container easily stores in a purse or bag, ready to go on your next walk or pet playdate.
- The pet wipes are 2.5" in diameter. Safe for dogs/puppies and cats/kittens over 12 weeks old. For topical use only around the eyes. Repeat as needed to maintain clean and healthy eyes.

Habitat® 150A(e) Air Purifier

Item#: AP-1210

UPC: 767056180703

Habitat® 150A(e) Replacement Filter, HEPA 13

Item#: 40-440-001

UPC: 767056180727

Habitat® 150A(e) Replacement Filter, HEPA 13 + Carbon

Item#: 40-440-002

UPC: 767056180734

A sleekly designed air filtration system that enhances the air quality in small and medium spaces while fitting in seamlessly with any room décor. True HEPA filtration captures 99.97% of airborne particles measuring 0.3 micrometers in diameter.

- This air purification system captures and traps pollutants like pollen, dust, mold, pet dander, and smoke to completely transform your everyday environment into a haven for fresh air. It also helps prevent illness by capturing bacteria and viruses!
- The Habitat 150A(e) features a Realtime Air Quality Sensor that tests the air quality in your space. Blue= Good Air Quality, Green = Average Air Quality, Purple = Moderate Air Quality, Red = Poor Air Quality.
- Includes a filter replacement reminder, auto and sleep modes, and two fan speeds. Long-lasting filters provide superior performance for up to 8 months before needing to be replaced. Quiet 55dB max speed fan cuts out the noise.
- 1-year limited warranty. Covers up to 150ft². Average filter life: 2,000hrs. Dimensions: 8.27" x 8.27" x 12.64"
- Replacement filters available.

MABIS® Steam Inhaler with Facial Mask

Item#: 40-742-000

UPC: 767056181212

An all-natural solution for immediate relief from congestion and sinus pressure. The safe and natural vapor works to break up mucus so you can breathe easily without taking OTC medications

- The included facial steamer attachment transforms the steam inhaler into a must-have skincare accessory. The natural vapor gently cleanses the skin and pores and provides an in-home spa experience.
- The included nasal attachment features adjustable angle and variable steam control, allowing warm soothing relief for sinuses and congestion.
- The vapor inhaler requires no filters, has variable steam control, comes with an adjustable nasal attachment, is simple to clean and very easy to use.

HealthSmart® Standard Fingertip Pulse Oximeter

Item#: 40-819-000

UPC: 767056180925

The pulse oxygen saturation is the percentage of HB02 in the total HB in the blood, so-called O2 concentration in the blood. It is an important bio-parameter for respiration. The pulse oximeter is a portable, convenient, non-invasive device, used to monitor arterial hemoglobin oxygen saturation (SpO2) and pulse rates. This fingertip pulse oximeter is not a medical device and cannot be used for medical diagnostic or treatment activities.

- A high-performance pulse oximeter designed for training and cardio workouts. Featherweight design with included lanyard makes it a perfect match for high intensity exercise like jogging, cycling, HIIT training and more.
- Clinically accurate with fast results make this a reliable oxygen monitor that will give consistent results with every use.
- Large easy-to-read two-way screen LED display shows blood oxygen content, pulse rate and pulse bar. Alarm parameters that will alert you if readings hit outside your desired high and low range.
- Low-battery alert with automatic shutoff and flashing alarm (2) AAA batteries included.
- Accuracy rating: 99%. Pulse rate measurement range: 30-240 bpm.
- Screen size: 1.1x0.8 inches. Includes: pulse oximeter, lanyard, 2 (AAA) batteries and instructions

BLOOD OXYGEN

Includes LEDs that shine two types of red light through the tissue. The sensor on the other side of the tissue picks up the light that is transferred through the tissues.

The oximeter can determine the SpO2 of arterial blood in the peripheral circulation.

Habitat® Universal Portable Tray

Item#: 511-1000-0000

UPC: 767056181465

Add a tray or cupholder anywhere with this new portable tray. Ideal for strollers, walkers and more, this tray is the perfect companion for cups, snacks and much more while keeping you on the go!

- 3 divided compartments keep drinks and snacks separated.
- An insulated cup holder helps keep beverages colder for longer.
- Features a high-quality supportive frame that keeps it shape while on the move.
- Easy installation with 4 non-slip straps with hook and loop closures help keep the tray in place and avoids tilting.

DMI® Adjustable Transfer Bench

Item#: 522-1740-1900

UPC: 041298992226

The universal transfer bench is designed to assist the elderly, disabled, and individuals with limited movement with bathing and showering safely and securely.

- The bench converts seamlessly to allow the user to use their right or left hand as they grip to enter the tub or shower.
- Adjustable interlocking legs allow for secure adjustments to the transfer bench height to create the most secure and comfortable fit for the user. Height can be adjusted from 31" to a maximum of 34.5".
- Safety handles on both sides of the transfer bench as well as the head rest provide maximum stability for the user while non-slip rubber feet always keep the bench locked in place.
- Drain vents help to eliminate build-up of soap and water.
- Tool-free assembly. Weight Capacity: 350 lbs. Size: 26"L x 14" W x 31" – 35.4" H

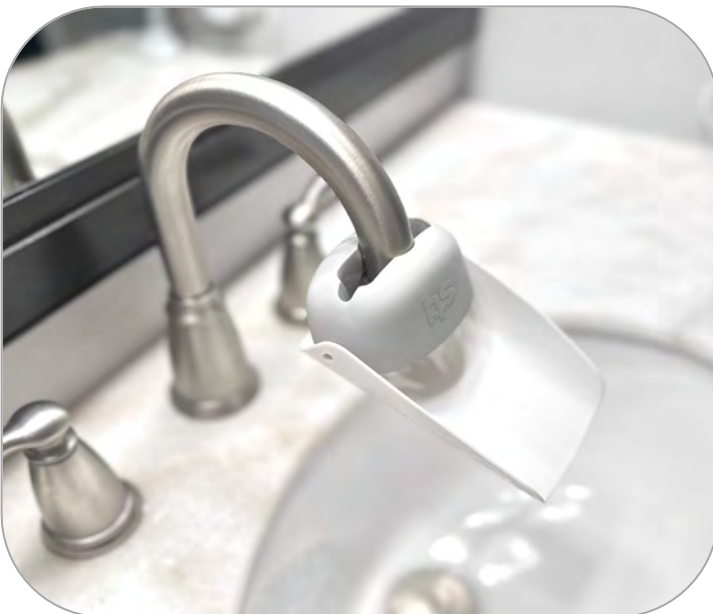

HealthSmart® Kids Faucet Extenders, 2pk

Item#: 523-2000-0000

UPC: 767056181496

Brining healthy hands within reach to little ones, this faucet extender is the perfect attachment for any sink. Designed to fit most faucets, this extender makes it possible for little kids to easily and safely wash their hands or brush their teeth.

- Allows children's independence while use the sink.
- Fits onto most standard faucets.
- Pivots to adjust the water angle for better reach.
- Easy to install and remove, no tools required
- Includes 2 faucet extenders

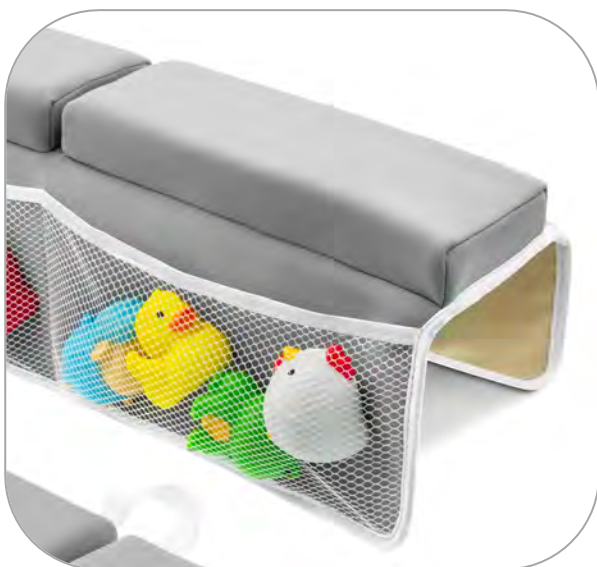

HealthSmart® Bath Kneeler & Elbow Rest

Item#: 523-2000-0100
UPC: 767056181519

Give your arms and knees a cushion to rest on while you give your little one a bath. This premium bath kneeler and elbow rest pad ensures the comfort for both baby and parents!

- Keep all of your child's bathing essentials conveniently in one place. The elbow pad is fitted with 4 breathable storage compartments for your kid's shampoo, body wash, and bath toys.
- 4 strong suction cups combined with an anti-slip base helps keep the kneeler and elbow rest in place.
- Easy to clean: Cleaning the baby bathmat and elbow rest is a breeze. Just gently wipe our bath seat down with a damp cloth or place in the washing machine to restore its brand-new look and feel.
- Hassle-free installation: There's no need to drill holes into your bathroom wall to use this bath kneeler and arm cushion set. The tub elbow rest is fitted with suction cups that keep it in place.

HealthSmart® Neck & Shoulder Traction

Item#: 534-2013-0000

UPC: 767056181304

The cervical traction device is designed to relieve neck and shoulder pain symptoms while helping to restore the natural curvature in your neck.

- Ergonomic and comfortable design.
- Our device includes embedded magnets that help increase blood flow faster than devices without magnets, allowing for a quicker pain relief response.
- The c-shaped opening forms perfectly to the curvature of the neck and the v-shaped base contours around the spine. This offers maximum support while in use.
- Designed with comfort in mind. The soft, supportive foam cushion makes using the device relaxing and comfortable.
- Please consult a physician before using. Read all included instructions carefully before each use. Do not use for more than 20 minutes a day.
- Bonus gift included! Hand massager helps relax stressed muscles and relieve pressure.

1

CONVEX

A more gentle traction to start with

2

CONCAVE

DMI® Heavy Duty Foot Stool

Item#: 539-1904-0099

UPC: 041298993902

Safe and Secure step stool for adults, seniors, and those with limited movement. A rubber textured grip on the platform ensures strong footing while standing.

- High 300lb weight capacity.
- A perfect daily living aid for easy step up to higher beds, hard to reach cabinets, cleaning higher spaces and much more. Highly portable so the stool can go wherever you go.
- A rubber textured grip on the platform ensures strong footing while standing, and natural rubber ferrules grip hard to any floor surface for maximum stability while using.
- Platform dimensions: 14.75" x 10.125". Overall assembled dimensions: 16.5" x 11.875" x 8.875".
- Ships unassembled, requires assembly. Ships in a small box measuring 12" x 2.75" x 22".

DMI® McGuire-Style Urinal

Item#: 541-7752-0000

UPC: 041298077527

DMI® McGuire-Style Urinal Replacement Sheaths (2/pk)

Item#: 541-7757-0001

UPC: 041298993100

Portable urinal is perfect for sitting, standing or walking for an extended period of time. Urinal bag holds up to 20 ounces of urine and securely attaches to the leg with secure holster.

- Male urinal brings security and freedom to those who suffer from bladder leakage or urinary incontinence to provide an alternative to pads, diapers, reusable underwear or protective briefs.
- Includes an elastic waistband that provides a secure and comfortable fit around the waist. While the jock strap is stretchable, it may not fit well on waists exceeding 42 inches.
- Urinal is reusable and washable.
- Includes jockstrap, sheath measuring 8 inches long, urinal bag measuring 10.5 x 6 holding up to 20 ounces of urine with leg holster and hose with one way valve that eliminates fluid return.
- Sheaths are made of TPG material. One size fits most.

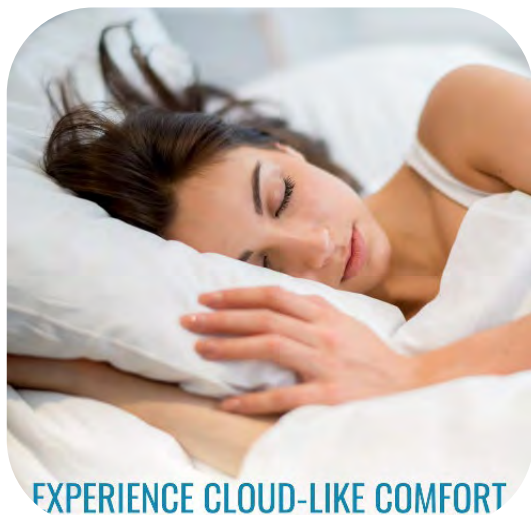

DMI® Hypoallergenic Pillow

Item#: 554-7910-1900

UPC: 041298992219

Experience cloud-like comfort with our ultrasoft cooling hypoallergenic pillow. The pillow is perfect for all types of sleepers and makes a great leg pillow for those who need the extra comfort.

- The pillow is filled with 100% polyester fiber that maximizes comfort by being incredibly moldable in any sleeping position.
- Washing is a breeze. Just toss in your machine on cold and select your gentle cycle.
- Measures 20" x 26".
- 100% Polyester Fill; Machine Washable; Cover – 50% Cotton/50% Polyester; For maximum water extraction, tumble dry on low heat with clean tennis balls to help fluff the pillow back into position.

DMI® Wrap Around Side Sleeper Pillow

Brazos Outdoors[™] Trekking Poles, Purple

Item#: 604-3000-0203

UPC: 840008019990

The perfect companion for every adventure! The Brazos Outdoors trekking poles include everything you need to hit the rugged backcountry or the urban trails with confidence.

- The contoured moisture-wicking cork handles, with padded adjustable wrist straps, help to ensure a safe, comfortable, and secure grip with every step.
- Quick adjustable locks with size markings are incorporated on each section of the Brazos[®] Trekking Poles. The size markings (in both IN and CM) make finding the appropriate height quick and easy.
- Accessories included: Tungsten Carbide tips provide an optimal grip on rugged terrain such as rocks, dirt or ice. The rubber tips are great for most hard, flat or rocky surfaces, while the Mud Baskets and Snow Baskets help keep the pole from sinking into mud, snow or other soft surfaces when hiking.
- Constructed of 7075 air-craft grade aluminum, these strong yet lightweight poles adjust from 42" ~ 54" yet collapse down to only 25" for easy transport.

TREKKING POLE

Ergonomic Moisture Wicking Cork Grips

Adjustable Padded Wrist Straps

Strong Yet Lightweight Aluminum Shaft

Quick and Easy Adjustable Locks

Tungsten Carbide Tip

TIP ACCESSORIES

Mud Baskets (2)

Ideal when hiking through mud, sand or other soft surfaces. Helps prevent the pole from slipping or digging into the ground.

Snow Baskets (2)

Perfect when trekking through snow, these baskets prevent the pole from sinking in. NOT to be used for downhill or cross-country skiing.

Rubber Tips (4)

Great for most hard, flat or rocky surfaces. Remove rubber tips to reveal the ultra-durable tungsten carbide tips.

Tungsten Carbide Tips

These provide optimal grip on rugged terrain such as rocks, dirt or ice.

Brazos Outdoors™ Crossbody Sling Daypack

Item#: 604-3100-0200

UPC: 840008020002

The Brazos Outdoors Crossbody Sling Daypack offers exceptional versatility and convenience with its multifunctional design, ensuring organized storage, easy access to essentials, and comfortable wear throughout the day.

- Features a 6-pocket design including a removable phone compartment.
- Includes a headphone-accessible hole for convenient listening.
- Equipped with a reversible shoulder strap for adjustable comfort.
- Constructed from high-quality materials for durability.
- Designed with a breathable back pad for enhanced comfort during wear.

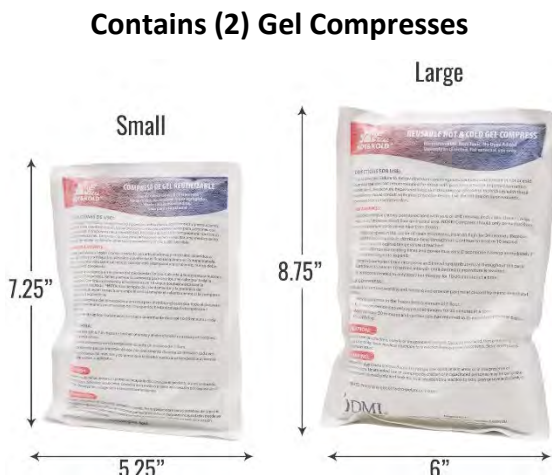

DMI® Hot & Cold Reusable Gel Compress (1 Small / 1 Large)

Item#: 614-0056-9716

UPC: 041298993063

These reusable packs are great for: Sprains, bruises, nose bleeds, sports injuries, fractures, headaches, bug bites, toothaches, and minor burns. Improves flexibility and increases blood flow while reducing muscle tension.

- **HOT:** Microwave the pack for 30 seconds. Remove and knead and compress to distribute the heat evenly. Relieves pain associated with stiff joints and muscles. Increases blood flow on the treated area.
- **COLD:** Place the pack in the freezer for a minimum of one hour. Apply to pain area to quickly reduce swelling and bruising from pain caused by injury, strains, and sprains.
- The hot & cold pack is nontoxic and is safe for direct to skin use. The compress stays flexible which allows for continued direct relief to the affected area without the pack slipping or bending upwards.
- Safe for direct to skin contact and use, no need to wrap in a towel before use.
- Contains: (1) Small 7.25" x 5.25" and (1) Large 8.75" x 6"

DMI® Migraine Relief Cap

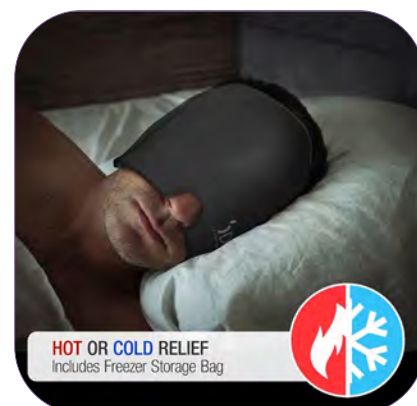

Item#: 614-0057-0001

UPC: 041298993896

Let migraines and headaches melt away with the DMI® Migraine Relief Cap. This stretchy cap features smooth flexible gel that can be heated or chilled providing 360° of comfort.

- A soothing, natural solution for migraine, headache, stress, sinus, and puffy eye relief. Can be frozen for cold therapy and microwaved for hot therapy.
- Full 360° gel coverage with premium quality fabric allows the perfect amount of therapeutic compression making this the most comfortable therapeutic mask with no bulky hot/cold insert.
- UV blocking design allows migraine relief to happen in any light environment. It also doubles as the perfect sleep mask and is comfortable enough to be worn throughout an entire night.
- Includes: (1) migraine relief cap, (1) freezer bag for keeping the cap clean when freezing (1) quick start guide. Please read all instructions carefully for heating and cooling. Do not use if cap feels too hot or too cold.

HealthSmart® 3-Piece Universal Jar Opener Bundle, 4-in-1 Jar Opener, Silicone Non-Slip Pad, 5-in-1 Bottle/Can Opener

Item#: 640-6701-0000

UPC: 767056180987

All 3 pieces in the kit are designed to operate pain-free and with ease for seniors that are suffering from arthritis and similar conditions involving joint and muscle pain.

- 4-in-1 Jar Opener is perfect for those with limited strength. 4 different jaw sizes to handle every jar opening task. Simple to use by fitting appropriate size jaw over lid, squeeze, and twist!
- Silicone Non-Slip Pad securely opens jars with ease by simply putting the jar opening pad over the lid and twisting. Another must-have daily living aid for seniors and those with weak hands.
- 5-in-1 Bottle Opener comes with instructions clearly printed on the handle. This FSA approved gadget takes off can tabs, small jars, bottle tops, twist off bottle caps, and pulls open can tops!

DMI® 3-Piece Stress Ball Set

Item#: 640-8180-0003

UPC: 041298992172

This color stress ball set includes three progressive levels of resistance to build up your finger and grip strength. Designed as an easy system for seniors and those rehabilitating from injury.

- Created from thermoplastic rubber that will take a beating. They wash easily with just water, without degrading material.
- The resistance of the balls starts at a soft (15kg) and then increases to (25kg) as you build strength and then reaches the max level (30kg) as the final resistance stage.
- Use as hot and cold therapy aids. Chill the balls in the freezer to reduce inflammation & swelling or heat the balls in hot water to increase blood flow for better circulation and arthritis relief!

DMI® Compact Hand Exercise Grip Strengtheners, Set of 2

Item#: 640-8182-0002

UPC: 041298992196

This hand grip trainer from DMI makes it easy to increase strength and flexibility in your grip, forearms, wrists, and fingers. Easily adjust the resistance from 10-130lbs to customize your routine.

- The grip strength trainer is designed to be used as a rehabilitation aid as well. Light resistance options with a simple rotary knob starts you with low resistance to recover from hand and arm injuries.
- A built-in squeeze (grip) counter keeps track of every movement for exercise routine consistency and to track your strength progression.
- The hand strengtheners come in a set of two, and getting started is a breeze with our included quick start guide.

Heelbo® Physical Therapy Rubber Resistance Bands with 5 Levels of Resistance

Item#: 660-2040-0005

UPC: 041298992189

Rubber stretch bands are perfect for rehabbing injuries, exercise and to help improve mobility. These bands are perfect for seniors and those with limited movement by being easy on the joints.

- Almost weightless, and with the included travel bag, it is like you are taking a home gym with you wherever you go! Designed to target every muscle group and work with countless different exercises.
- Perfect for stretching, yoga and Pilates. The bands will help loosen everyday stiffness by slowly stretching muscle groups and loosening up joints.
- Bands come in green, blue, yellow, red, black and start at a minimum resistance of 3.59lbs up to a max 29.06lbs. You can even combine multiple bands to extend the max resistance even further!
- Each band is labeled by resistance level. Starting from Extra-Light to Extra Heavy. Detailed exercises included in instructions. Created from strong thermoplastic elastomer material.

SPECIFICATIONS

Loop Band Size (mm)	1.25X	3.00X
Green 600 x 50 x 0.4	3.59 lbs	9.86 lbs
Blue 600 x 50 x 0.6	4.69 lbs	14.15 lbs

Heelbo® Copper Calf Compression Sleeve, XL

Item#: 660-6557-0124

UPC: 041298993698

These copper calf compression sleeves provide the right amount of tension to relieve calf ailments such as shin splints, cramps, varicose veins, sprains and overall general soreness.

- Designed for all day comfort and relief for men and women. Whether standing on the job all day or an avid runner, these sleeves offer all-day support with moisture wicking and odor protection
- This small size fits calves with a circumference of 10-14 inches
- The sleek all-black style fits with any outfit and the sleeves offer even compression while being comfortable and flexible with the fabric composition of 81% copper nylon, 18% rubber and 1% spandex
- Machine wash on cold with similar colors on delicate cycle. Dry by turning sleeves inside out and tumble dry on low.

SIZING GUIDE

Measure the circumference of the leg at the top of the calf muscle, around 5 inches below the knee. See size chart.

To Use: Slide onto calf. Adjust as needed for comfort and compression.

Sleeve Size	S	M	L	XL
Calf Circumference	10-14"	13-16"	15-18"	17-21"
	25.5 - 35.5cm	33 - 41cm	38 - 46cm	43 - 53cm
