Re: Ordering from Jaeger Medical

Dear Concordance Healthcare Solutions:

As you may know, Jaeger Medical America, Inc. ("Jaeger") purchased the U.S. assets of Vyaire Medical's respiratory diagnostics business in November 2024. The Distributor Agreement (the "Agreement"), dated July 25, 2017, between Vyaire Medical, Inc. and Concordance Healthcare Solutions, LLC ("Concordance Healthcare") was not assumed by Jaeger through the Chapter 11 bankruptcy process. Thus, the Agreement has likely been rejected by Vyaire Medical, Inc. and is no longer in effect.

We understand that Concordance Healthcare has continued to place orders with Jaeger for consumables. Jaeger has evaluated its go-to-market strategy and has decided not to use distribution partners in the U.S. As of April 1, 2026, Jaeger will not accept orders placed by Concordance Healthcare.

Thank you for your previous partnership with Vyaire.

Sincerely,

Cally Kothmann
