Re: Select Scott® Universal Hard Roll Towel SKU Allocation

Dear North American Kimberly-Clark Professional Customer,

Effective **Monday, November 10**, the following universal hard roll towel (HRT) SKUs will be placed on allocation:

- 01000
- 01005
- 02000

To minimize impact, we are taking proactive steps to stabilize inventory levels. These SKUs will be managed through an allocation process over the next **60 days**, based on:

- Available inventory
- Historical Usage
- Seasonal Demand Trends

To maintain overall supply stability across the category, we will not be able to accommodate overorders on the remaining universal HRT SKUs.

We appreciate your understanding and continued partnership as we work diligently to return to normal service levels.

For any questions, please reach out to your Kimberly Clark Professional sales or Customer Care Representative.

Sincerely,
Ignacio Suit
