Re: Product Upgrade: Hollister Ostomy

Dear Valued Customer:

At Hollister, our mission is to make life more rewarding and dignified for those who use our products and services. In the spirit of achieving this mission, we strive to improve our products to better meet the everchanging needs of our patients.

Please be advised that we will be upgrading our entire portfolio during the next *18–24-month period*. After listening to feedback from people living with an ostomy and healthcare professionals, we've upgraded a few key features our pouches, including:

- **Fabric Material**
- **Pouch Shape and Color**
- **Closure Design**

Please note that while the products will receive updates and improvements, **the following attributes will not change**:

- **Product Numbers / SKU's**
- **HCPCS Codes**
- **Pricing**
- **GTIN and UPC Codes**
- **Box and Case Dimensions and Weights**
- **Units of Measure**

Please review the following pages to see the upgraded products are planned to hit the market in 2025. We will continue to provide you with all the necessary details and updates as this roll out progresses.

If you have any questions regarding this information, please contact your Hollister Account Manager.

Thank you for your continued support of Hollister Incorporated.

Sincerely,

Nico Volpe
