Dear Valued Customer,

Mead Johnson is excited to announce the introduction of our larger, 8oz. ready-to-use (RTU), sterile liquid Nutramigen hypoallergenic infant formula for the hospital. Based on feedback from health care professionals who care for infants in Neonatal Intensive Care Units and Children's Hospitals across the U.S., we are now offering a larger volume bottle to enhance customized preparation and feeding flexibilities to meet the needs of infants requiring a hypoallergenic formula in the hospital and discharge home.
