

Dear Valued Customer,

We regret to inform you that we have made the difficult decision to discontinue the **MicroGuard Antifungal Powder (COI1337)** and effective March 1, 2026. We understand that this is an abbreviated timeline caused by unforeseen manufacturing challenges and appreciate your flexibility. We remain committed to providing on-demand support when needed and apologize for any inconvenience this may cause. Please see below for our recommended sub and key differences:

	Discontinued Item	Replacement Item
Item Number	COI1337	MSC092603
Description	MicroGuard Antifungal Powder	Remedy Clinical Antifungal Powder
Size	3 oz Bottle	3 oz Bottle
Active Ingredient	2% Miconazole Nitrate	2% Miconazole Nitrate
Image		

Key Differences:

- Remedy Clinical Antifungal Powder contains the Remedy Nutrient Complex, a proprietary blend of botanical nutrition to help nourish the skin

Remedy Clinical Antifungal Powder

- Helps treat the most common fungal infections, including athlete’s foot, jock itch, ringworm, and superficial yeast infections
- 2% Miconazole Nitrate
- Talc Free
- Most effective when used in areas that trap moisture (e.g. feet, skin folds, groin, etc.)

Should you have any questions, please do not hesitate to contact your Medline sales representative.

Sincerely,

The Remedy Skin Care Team
