Good morning,

As explained below, Medtronic removed the drop ship only classification on mfg#72202536 (C#769849). I consulted with Tara before forwarding because of questions I had about some previous comments in VAI, so she has already removed the drop ship coding in our system and added comments on the item. A usage file is attached.

[@Zachary Ball](#), could you please post on HubSpot?

Have a great day,
Tricia
