October 16, 2024

Dear Valued Customer,

As part of our on-going commitment to provide products that align with our customer's evolving needs and preferences, we wanted to share an important update regarding the Endo Peanut #173019. Due to manufacturing challenges arising from the discontinuation of essential third-party components, product availability has been severely impacted for most of 2024. We regret to inform you that, as a result, this product is being discontinued effective immediately. All open orders will be canceled.

Our focus is to provide products with healthy and sustainable manufacturing lines. We understand that change can be difficult, and sincerely appreciate your continued support and loyalty as we embark on a healthier and more sustainable future together. For more information about this product please contact your local Medtronic sales representative or contact Customer Service at 800-722-8772. Thank you for being a valued customer of Medtronic.

Sincerely,

Barbara Lindner
