Dear Valued Customer,

Thank you for your continued use of Medtronic products. We strive to deliver innovative technologies that enhance patient care and reduce the cost of healthcare delivery. We regret to inform you that the following products are no longer available:

MultiFire Premium™ 35 Wide Single-Use Skin Stapler (Product Code: 059037)

MultiFire Premium™ 35 Wide Reload (Product Code: 059038)

Additionally, the following products will no longer be available after April 30, 2026, or earlier if inventory is exhausted before that date:

MultiFire Premium™ 35 Single-Use Skin Stapler (Product Code: 059035)

MultiFire Premium™ 35 Reload (Product Code: 059036)

As a replacement, we recommend transitioning to the Appose™ Skin Stapler. For your convenience, reorder codes for the suggested replacement products are provided below.

| Old Codes | New Codes  | New Code Description                                     |
|-----------|------------|----------------------------------------------------------|
| 059035    | 8886803512 | Appose Skin Stapler - Pre-loaded with 35 regular staples |
| 059036    | 8886803512 | Appose Skin Stapler - Pre-loaded with 35 regular staples |
| 059037    | 8886803712 | Appose Skin Stapler - Pre-loaded with 35 wide staples    |
| 059038    | 8886803712 | Appose Skin Stapler - Pre-loaded with 35 wide staples    |

For more information about these products or assistance in determining whether one of these codes may be a suitable alternative, please contact your local Medtronic sales representative. To place an order for an alternative item or to obtain contact information for your sales representative, please visit [medtronic.com](http://medtronic.com) or contact Medtronic Customer Service at 1-800-962-9888, Option 2.

We appreciate your continued partnership and are here to support you through this transition.

Sincerely,

*Eric Brownley*
