## Product Change Notice

Dear Valued Partner,

This letter is to inform you that MicroCare Medical™ has updated its product labeling from Pro to new Spec Clean™. While you'll notice a fresh new label design, please note that there is **no change to the product numbers, attributes, formulation, or usage instructions**. Below is the list of new product name descriptions. Attached is a photo of the new labeling.

MicroCare appreciates and values your business. We regret any inconvenience this might cause. Please contact us if you have questions.

Best Regards,

Ray Bellavance  
VP- Global Sales & Marketing

| PART NUMBER  | NEW SPEC CLEAN NAME                                                      | OLD "PRO" NAME                                                         | PACKAGE                    |
