RE: Important HibiClens Product Line Update - Discontinuation Notice

Dear Distributor Partner,

On behalf of Mölnlycke and the Hibi Antiseptics Business Area, I want to express our sincere appreciation for the valuable partnership we have established over many years. Your commitment to providing quality healthcare solutions to end users has been instrumental to our mutual success.

Discontinuation Notice

After careful evaluation and strategic review of our product portfolio, we have made the decision to discontinue two SKUs:

- 57532 HibiClens 32oz bottles
- 57591 HibiClens 1-gallon bottles

Please accept this letter as the 90-day notification which is effective July 1, 2025. Fulfillment will be based on previous 12-month usage or until inventory is depleted.

Our Ongoing Partnership

This product discontinuation reflects our strategic alignment to exit bulk volume products. We remain deeply committed to our mutual customers with comprehensive support to the remainder of our portfolio.

We look forward to our ongoing collaboration in delivering innovative healthcare solutions.

Sincerely,

A handwritten signature in black ink, appearing to read "Jason Liles".
