RE: Ongoing availability of Alldress® absorbent composite dressing

Dear Distributor Partner:

In April, Mölnlycke made the announcement of the discontinuation of the Alldress absorbent composite dressing product line as of **May 2025**.

However, at this time we have robust inventory levels readily available on the 3 Alldress codes listed below. We anticipate that we will have product available through the end of 2025, if not longer. Please ensure that these codes remain active in your system for future customer orders.

Product Code	Size	Discontinuation Date
265329	Alldress 4" x 4"	May 2025
265349	Alldress 6" x 6"	May 2025
265369	Alldress 6" x 8"	May 2025

Per previous notification, all GPO pricing on this product will end in May 2025.

Please contact your Mölnlycke US Channel Management partner with any questions.

Sincerely,

Suzy Carpenter
Senior Marketing Director, Wound Management
