

Dear Valued Distributor,

We hope this message finds you well. We wanted to provide you with an update on the availability of Impact® Peptide 1.5. We are currently facing ingredient supply challenges, which will result in an extended out-of-stock situation. Our current inventory is expected to be depleted in the next few months. Please refer to the weekly inventory report for the latest product availability.

Product Code	Case UPC/GTIN Code	Description
4390097400	10043900974009	IMPACT® PEPTIDE 1.5, Unflavored 24 x 250 mL carton

We want to emphasize that we have no plans to discontinue Impact® Peptide 1.5. We understand its importance to your customers and anticipate resuming production of Impact® Peptide 1.5 in early 2025.

We deeply appreciate your understanding and continued partnership as we navigate the challenge together. Should you have any questions, please work with your Nestlé Distributor Manager, or our customer service team can be reached at 1-877-663-7853.

Thank you for your continued partnership and understanding.

Best regards,

Sincerely,
