

Dear Valued Customer,

At Nestlé Health Science, we deeply value the trust you place in us to provide high-quality products that empower healthier lives.

We understand the potential impact of the recent [infant formula recall](#), especially for children with specialized medical and nutritional needs who rely on formula products.

Ensuring the availability of our products is a fundamental aspect of our mission and remains our top priority. We are pleased to inform you that the following products are currently in stock and ready to be shipped.

All formula substitutions require clinical judgment; please contact a clinician for appropriateness of alternative options. Not all clinical considerations are included, and the listed alternatives may not be nutritionally comparable or equivalent in all respects.

We understand the challenges and frustrations that recalls can bring, and we want to assure you that we are fully committed to supporting customers, patients, caregivers and consumers during this challenging time.

For questions, please reach out to your Nestlé Health Science representative.

Sincerely,
Felicia Belle
Vice President and Head of Sales, Nestlé Health Science U.S.
