New Product: PDI® Unscented Baby Wipes

ATTN: Distributor Partners and Customers,

PDI is excited to launch our new **PDI® Unscented Baby Wipes**! Crafted with naturally derived ingredients, our **pH-balanced, hypoallergenic** baby wipes are clinically proven as **safe on eczema-prone skin** and provide **gentle one-step cleansing and moisturizing**. Our dermatologist-tested formula can **soothe dry skin** and **reduce redness** to help maintain healthy skin. **PDI® Unscented Baby Wipes** are packaged in 80 and 40 count softpacks and will **replace the 80 and 40 count Nice 'n Clean Unscented Baby Wipes (SKU# M233XT, Q70040)**. The new baby wipe products will be **available** in May. Please remove the old products from your system and replace them with the new SKUs. As a reminder, the **Scented 80 and 40 count Nice 'n Clean Baby Wipes (SKUs: M225XT, Q34540)** were discontinued earlier this year. If these are still in your system, please replace them with the new SKUs.

Discontinued:
