Store & Go Cart-350340

At Omnimed, we know that healthcare workers need their supplies to be both convenient and secure. That's why we designed our store & go Phlebotomy Cart – so that healthcare providers can work with ease and peace of mind. Our phlebotomy cart boasts many features that you won't see in competitors' models. It is height adjustable from 36" to 46", giving you plenty of flexibility when attending to your patients' needs.

- **Single:** Wire glove box holder
- **Adjustable:** Straps to hold most sharps containers
- **Sturdy:** 5 leg base with 3" casters
- **Measures:** 15.5" W X 17" D X 46" H

5 Drawer Omni Phlebotomy Cart-351003

The Omni Phlebotomy Cart from Omnimed is more than just a cart; it's a supportive and responsive solution engineered to meet the demanding workloads of on-site phlebotomists. We've intentionally designed every feature to help you organize supplies intuitively and perform blood draws efficiently, wherever they happen.

- **Lightweight Design:** Easy and comfortable to maneuver throughout your day.
- **Smooth & Quiet Mobility:** Equipped with 5" medical-grade casters that are durable and roll effortlessly on any surface.
- **Security:** Keep your supplies safe with a key lock.
- **Measures:** 23.5" W X 17.75" D X 42" H

5 Drawer Omni Phlebotomy Cart With E-Lock-351004

The Omni Phlebotomy Cart isn't a one-size-fits-all solution; it's a meticulously designed tool built to make your rounds easier and more comfortable. Intentionally designed with valuable features, the Omni Phlebotomy Cart can help increase efficiency and security compared to simply carrying a phlebotomy tray.

- **Lightweight Design:** Easy and comfortable to maneuver throughout your day.
- **Smooth & Quiet Mobility:** Equipped with 5" medical-grade casters that are durable and roll effortlessly on any surface.
- **Secure Supplies:** Keep contents safe with an electronic lock*
- **Measures:** 23.5" W X 17.75" D X 42" H

3 Drawer Omni Phlebotomy Cart-351005

The Omni Phlebotomy Cart with 5" Casters is the ideal solution for healthcare professionals seeking a reliable and versatile medical cart. Built with a new, upgraded aluminum base structure, this cart offers enhanced durability and greater modularity, ensuring it can meet the evolving needs of your healthcare facility.

- **Maximized Storage:** Modular rail system allows for easy customization with various storage add-ons
- **Smooth Mobility:** Industry-recognized 5" casters for superior maneuverability
- **Secure:** Centralized lock system for added security on drawers and doors
- **Measures:** 23.5" W X 17.75" D X 38" H

3 Drawer Omni Phlebotomy Cart With E-Lock-351006

The Omni Phlebotomy Cart with 5" Casters is the ideal solution for healthcare professionals seeking a reliable and versatile medical cart. Built with a new, upgraded aluminum base structure, this cart offers enhanced durability and greater modularity, ensuring it can meet the evolving needs of your healthcare facility. **Includes E-Lock**

- **Maximized Storage:** Modular rail system allows for easy customization with various storage add-ons
- **Smooth Mobility:** Industry-recognized 5" casters for superior maneuverability
- **Secure Supplies:** Keep contents safe with an electronic lock*
- **Measures:** 23.5" W X 17.75" D X 38" H

Enhanced 3 Drawer Omni Phlebotomy Cart-351008

Our most popular phlebotomy cart has been updated to meet your ergonomic demands with an extended, angled handle that eliminates the need to bend or hunch as you push. Excellent for taller phlebotomists, this new addition to the Omni Cart family promotes proper posture and minimizes potential back and shoulder strain.

- **Lightweight Design:** Easy and comfortable to maneuver throughout your day.
- **Ergonomic** design promotes superior posture
- **Measures:** 23.5" W X 17.75" D X 42" H

Enhanced 5 Drawer Omni Phlebotomy Cart-351009

The Omni Phlebotomy Cart isn't a one-size-fits-all solution; it's a meticulously designed tool built to make your rounds easier and more comfortable. This cart delivers all the versatile storage and functionality you expect from an Omni Phlebotomy Cart, but with a crucial ergonomic upgrade: an extended, angled handle. This thoughtful design eliminates the need to bend or hunch as you push, promoting proper posture

- **Ergonomic handle:** Ideal for taller users, enabling easier, strain-free maneuverability.
- **Smooth Mobility:** Equipped with 5" medical-grade casters that are durable, quiet, and move effortlessly.
- **Measures:** 23.5" W X 17.75" D X 42" H

Enhanced 5 Drawer Omni Phlebotomy Cart-351010

The Omni Phlebotomy Cart isn't a one-size-fits-all solution; it's a meticulously designed tool built to make your rounds easier and more comfortable. This thoughtful design eliminates the need to bend or hunch as you push, promoting proper posture and significantly minimizing back and shoulder strain.

- **Ergonomic handle:** Ideal for taller users, enabling easier, strain-free maneuverability.
- **Smooth Mobility:** Equipped with 5" medical-grade casters that are durable, quiet, and move effortlessly.
- **Secure Supplies:** Keep contents safe with a electronic lock*
- **Measures:** 23.5" W X 17.75" D X 42" H

Omni Mini Cart-351020

The Omni mini Storage Cart is engineered to be the perfect fit for navigating narrow hallways and busy environments. Its unique slim profile and smart configuration ensure smooth movement while still providing ample storage to keep your essential supplies organized and accessible.

- **Four transparent tilt bins** for clear visibility of contents.
 - **A lockable** transparent sliding door to secure items in the lower section.
 - **Four removable trays** (10.875"W×16.25"D×2.625"H) for simplified restocking.
 - **Measures:** 13" W X 20.5" D X 35.5" H
-

***E- lock features**

- 1 Master Code
- 19 User Codes
- Code Length 4-8 digits
- 75,000 Cycles per battery replacement
- Low battery replacement indicator
- Batteries can be replaced without opening the drawer
