Good Morning Jeff

I'm writing to inform you that due to current capacity constraints, we will temporarily discontinue several items that are labor-intensive and require specialized personnel training. As a result, we are placing a hold on any new orders for the following items until we can ensure sufficient staffing:

Concordance
25-800 A 50 - 138760
25-800 D 50 - 131308
25-800 R 50 - 135190
710 GRAPE - 933556
710 CHERRY - 251876
710 STRAWBERRY 207635

For any existing orders placed before today, we will honor them and provide lead-time estimates as soon as possible. Please be aware that these lead-times may be extensive. If you prefer to cancel your order, we are more than happy to assist with that process.

Could you please update your system to reflect these changes and confirm once complete?

Once we are able to resume production of these items, we will reach out with further updates.

Please don't hesitate to reach out if you have any questions or concerns. Your continued support is greatly appreciated.

Warm regards,

Megan Templet
