Product: Metrix® Reader (P/N MTRX-RDR)
Subject: Product Discontinuation

Dear Valued SEKISUI Diagnostics Customer,

As a Metrix customer, we are informing you that we intend to discontinue the following product effective May 22, 2025.

DISCONTINUED PRODUCT			REPLACEMENT PRODUCT		
Part Number	Item Name	Description	Part Number	Item Name	Description
MTRX-RDR	Metrix Reader	Metrix Reader (Gen 1)	MTRX-RDR-GEN2	Metrix Reader (Gen 2)	Metrix Reader (Gen 2)

Description: Aptitude Medical Systems has developed a second-generation Metrix Reader (P/N: MTRX-RDR-GEN2), indicated for use with the Metrix COVID-19 Test (P/N: MTRX-C19-25PK) and the Metrix COVID/Flu Test (P/N: MTRX-CoV+FLU-25PK). It is important to note that although the Metrix Reader (Gen 1) continues to perform as expected, the new Metrix COVID/Flu test will only run on the Metrix Reader (Gen 2). As indicated above, the existing Metrix Reader (MTRX-RDR) is being discontinued and replaced with the Metrix Reader (Gen 2) (MTRX-RDR-GEN2).

Comparison of Metrix Readers:

- The Metrix Reader (Gen 2) can be used with the Metrix COVID-19 Test and the Metrix COVID/Flu Test.
- The Metrix Reader (Gen 1) can only be used with the Metrix COVID-19 Test.

Action(s) to be taken:

- Remove the Metrix Reader (P/N MTRX-RDR) from your web portals.
- Start selling the Metrix Reader (Gen 2) (P/N MTRX-RDR-GEN2).
