Darrin/Tricia,

Great news!

We will be releasing PO's for 80K bottles of AVAGUARD 9200 the week of 2/23 to our Direct Distributors. Every distributor with an order history should receive an amount roughly commensurate with one month of supply.

You should see many of your open PO's filling this coming week.

At this point, it is possible we may be able to remove the allocation and be off backorder by the end the of March / first weeks of April.

Stay tuned!

Regards,
