

January 12, 2026

Dear Valued Distributor,

STERIS is committed to providing healthcare Customers products and services that support patient care with an emphasis on infection prevention. We strive to ensure continuity of those products through a strong and diversified supply chain.

We want to make you aware that shipments are temporarily on hold for the **Vis-U-All™ High and Low Temperature Self-Seal Sterilization Pouches**. (See Product Number and Description below)

VIS-U-ALL™ HIGH TEMPERATURE SELF SEAL POUCHES					VIS-U-ALL™ LOW TEMPERATURE SELF SEAL POUCHES				
PART NUMBER	QUANTITY (each/box)	QUANTITY (box/case)	Width	Length	PART NUMBER	QUANTITY (each/box)	QUANTITY (box/case)	Width	Length

					886127	50/bx	2 bx/case	12"	27"

Our team is actively working to resolve this situation as quickly as possible.

STERIS Representatives will be working directly with our Customers to determine if a direct or indirect substitution is available.

We will provide regular updates and keep you informed until shipments resume. In the meantime, we encourage you to manage your inventory levels carefully to minimize disruption for your Customers.

We greatly appreciate your understanding, flexibility, and continued partnership as we navigate this challenge together.

Sincerely,

Cindy Tanski

Director, Distributor Channel
