Hello and Happy Tuesday!

In observance of the holiday, INST Customer Service will be closed on Friday July 4th. We will respond as soon as we return.

Please see attached with up to date tracking information.

Feel free to let us know if there are any additional team members who would like to be added to the contact list for these weekly updates.

Thank you and have a great week! 😊

Reminder: To guarantee correct shipping method for overnight orders, email submission to distributorcs@stryker.com is preferred. Orders submitted via EDI will ship per your routing guide.

Delayed Availability: If you require cancellation of open lines for these SKUs, please let us know as soon as possible.

- **NEW/CRITICAL:** Item # 0702-034-000 has transitioned to **Direct from Stryker Only**. Please have your end user place a direct order. Distributor orders will be rejected.
- **NEW/CRITICAL:** The below tourniquets are currently on a long-term delayed availability. Please see the recommended subs.

Delayed Item	Recommended Sub
5921-018-135	5921-218-135
5921-018-235	5921-218-235
5921-024-235	5921-024-135

- **NEW/CRITICAL:** PB1 is currently on a delayed availability. ETA December.
- **NEW/CRITICAL:** 0621-118-180 is currently on a delayed availability. ETA September.
- **NEW/CRITICAL:** The below products are facing delays due to its limited shelf-life not meeting the requirements to be shipped to distribution centers. If product is urgently needed, we recommend your end user reaches out to their local Stryker Sales Representative to place a direct order, since end users often have shorter shelf-life requirements. Distributor orders will fill FIFO as sufficient stock becomes available.
