

Subject: Upcoming Redesign of the 5582 Sterile-Z Mayo Stand

Dear Valued Customer,

We are excited to inform you that starting March 2026, we will begin transitioning to the updated design of our 5582 Sterile-Z Mayo Stand. As we work through existing inventory, you'll start receiving and seeing the new design in upcoming shipments.

This redesign enhances usability while maintaining the familiar Sterile-Z look and feel, ensuring a consistent experience for your team.

Key Improvements Include:

- Integrated handles and clearly marked touch points to help guide correct user interaction.
- Updated IFU and instructional stickers to reinforce correct use with clear visual and written guidance.
- Extended Barrier Claim: The Sterile-Z Back Table Cover is now validated as an effective microbial barrier for up to *24 hours* when applied immediately.

Key Ordering Details:

- Timeline: All orders will begin shipping with the redesigned version of the 5582 Mayo Stand Cover in March 2026.
- The product SKU and 2026 pricing will remain the same, and no order process changes are required.

We look forward to supporting you through this transition and are confident these updates will support your operational efficiency. If you have any questions, your sales representative is ready to assist.

Thank you for your continued trust in TIDI Products.
